○ EsmeSantoyo

My name is Esmeralda Elizabeth Santoyo Morales, I had never mind studying Computer systems engineer before, but now I'm a person who loves programming, likes to learn programming languages, conventions, and good practices. I would like to work in a company in which I have the opportunity to develop professionally, improve my skills, and share my knowledge.

WORK EXPERIENCE (1)

BrightCoder (Ruby on Rails Apprentice) at BrightCoders Academy/ Donadores Compusivos
January 2020- July 2020
https://www.magmalabs.io/

I worked in the 'Donadores Compusivos' project, which was started by another generation of bright coders, developing a web page using Ruby on Rails, HTML, SCSS, and javascript. I learned so much about Ruby, Rails, Git, APIs, tests, practices, teamwork, leadership, mentoring, etc.
